Please note that these scholarships are **need-based** and you must fill the FAFSA (Free Application for Federal Student Aid) and give your permission for the UH Financial Aid Office to share your need information with us. The scholarships also require the student to enroll **full-time** in a degree program.

I have answered all the questions above truthfully and completely. I will fill/have filled (**circle one**) the FAFSA and give my permission for the UH Financial Aid Office to share my need information with the S-STEM Program Director Prof. Verma. I also understand that I must be a **full-time student** to qualify for the scholarship.
